

April 7

To: whom it may concern:
In 1955 my husband and I
graduated from college. Your
salesman came by Piedmont High
School and we invested \$500⁰⁰
in your company. We kept
it all those years and
guess what it is worth today
\$400 - Pitiful! I want
to get the worth of it Today!

Please send me the
Amount!

My husband died on
Feb. 2 and I want to get
its worth!

Sincerely,
Mary Waldrip
